Tumkur University, Tumkur

Tumkur University was started in 2004 to address the needs of students in higher education in Tumkur district. The University blossomed in the era of globalization in which the economies of the world are being transformed from their original closed self sustaining structure to the globalized context, where they can expose themselves to the competitive world. This transition forced the arena of knowledge emphasizing itself to more of its application than of accumulation of facts. With its vision "**Knowledge is Eternal**", Tumkur University aims to achieve human potential development through committed and dedicated efforts, the University is ensuring an effective application of integrated and interdisciplinary approaches in its dissemination of knowledge.

University College of Science

The University College of Science (formerly Government Science College) was established in the year 1940. In 2009, the erstwhile college was made a constituent college of Tumkur University and was renamed as the University College of Science. Since then, the College has been growing with its unique identity as an institution of pride and reputation. The college has the good fortune of dedicated faculty members who have been instrumental in organizing academic activities.

Tumkur District

Tumkur is an administrative district in the state of Karnataka, India. The district headquarters are located at Tumkur town which is at a distance of 70 kms from Bangalore. The district hosts some of the renowned tourist and spiritual places such as Devarayanadurga, Namada Chilume, Siddaganga Mutt, Shivagange hill, Madhugiri monolith hill and Boranakanive dam.

Aims and objectives of the Conference

Role of Mathematics in the recent era is growing up to newer levels in order to accommodate innovations in working and developing strategies. There has been a plethora of research activities being carried out in this direction across the globe.
