**National Conference  
on  
Advances in Biotechnology  
(NCAB-2018)  
29<sup>th</sup> January 2018**

**Organized by  
Department of Biotechnology  
University College of Science  
Tumkur University, Tumakuru**

**VENUE  
Sir M.Visvesvaraya Auditorium  
University College of Science,  
Tumkur University,  
B.H.Road, Tumakuru-572103**

### **TUMKUR UNIVERSITY**

Tumkur University was established in 2004 to address the needs of students in higher education in Tumakuru district. It has gained significance as one of the young universities in the country and recognized as an institute of National eminence by the University Grants Commission. The university is recognized by the UGC under Section 2(f) and 12(B) of the UGC act 1956. The university has been witnessing tremendous growth in the development of its academic profile and infrastructural facilities.

### **UNIVERSITY COLLEGE OF SCIENCE**

University College of Science is a Constituent College of Tumkur University and College is accredited with "A" grade by NAAC. Aiming to achieve human potential development through committed and dedicated efforts, the University is ensuring an effective application of integrated and interdisciplinary approaches in its dissemination of knowledge. Within a very short span of time, the visionary leadership of the university has been successful in getting necessary infrastructure to the institution. It has received UGC-CPE grants and is now marching towards establishing itself into a Centre of Excellence.

### **DEPARTMENT OF BIOTECHNOLOGY**

Department of Biotechnology was established at Tumkur University in its constituent college during 2007. The main goal of the Department is to initiate a state of multidisciplinary, scientific curriculum which will provide impetus to generate skilled graduates and post-graduates and also to elicit innovative and entrepreneurial ideas to meet the ever increasing demand of Biotechnology.

### **NATIONAL CONFERENCE**

This national level Conference has been organized to have a platform for the discussion of research in different branches of Biotechnology. Through this event we would like to provide an opportunity to scientists/ academicians/ research scholars/ students to

actively participate in the conference to gain the knowledge on Biotechnology and its applications. Essential researchers with international acclaim will speak at the conference. In addition, the conferences will strive to encourage junior scientists and students to present their work through oral / posters presentations.

### **TUMAKURU**

Tumakuru is a historic-cultural city, retaining its peace and nativity. The place is known for the beautiful hills and historical places are certainly worth of visit. Tumakuru is well connected with most of the districts in Karnataka and can be reached from Bangalore by Road or by Train.

### **THEMES**

- Bioinformatics
- Food Technology
- Genetic Engineering
- Microbial Technology
- Genomics / Proteomics
- Environmental Biotechnology
- Healthcare and Pharmaceuticals
- Plant / Animal / Agricultural Biotechnology

### **CALL FOR PAPERS**

Participants are invited to submit full length original papers in standard format (MS Word, Times New Roman, 12 Pt, single column, single line spaced), for oral / poster presentation during the conference. Selected peer reviewed articles will be published in the Edited Book with ISBN No. Papers should be sent to the following e-mail id :
