

Tumkur University

Tumkur University was established in 2004 to address the higher educational needs of students in Tumakuru district, with an ardent faith in the adage " Knowledge is eternal", the University is surging ahead with its research-gearred mission. Aiming to achieve human potential development through committed and dedicated efforts, the University is ensuring an effective application of integrated and interdisciplinary approach in its dissemination of knowledge.

About Tumakuru

Tumakuru is a historic-cultural city, retaining its peace and nativity. The place is known for the beautiful hills that surround the city and a few historical places are certainly worth a visit. Tumakuru is well connected with most of the districts in Karnataka and can be reached from Bengaluru by road or by train.

About the College

It is a constituent college of Tumkur University located at B.H. Road, Tumakuru. The college caters to the diverse educational needs of Tumakuru District. It offers UG & PG courses in order to meet the growing demand of the higher education. Today, it can proudly promise quality education to the needy classes.

About the Department

The Under Graduate Department of Political Science was started in the academic year 1973. The department has knowledgeable and experienced faculty engaged in imparting quality education with values. The Department apart from imparting subject has conducted several conferences seminars and lectures from eminent scholars in various fields.

About the Seminar

India is a country of rural villages more than 70% of the people are living in rural India. The central and State governments are still implementing many schemes and programmes for the welfare of the rural mass inspite of all these struggles there are numerous problems and challenges in rural India. Contemporary Rural India faces numeral problems and prospects though central and state government formulates many programmes the common man

would not get the benefits from the programmes. In this Seminar the valuable discussions would help the policy makers to adopt and implement the Pro-people policies in respect of Rural Development. The fourth coming Seminar would address the crucial problems of the rural people. Some of the discussion in the seminar would certainly be helpful to find out the problems which are being faced in Rural India.

The Seminar would come out some findings, these findings may be brought to the notice of the government to take the appropriate policies to strengthen the Rural Development in India.
