The extract of the above cited letter of the Secretary, University Grants Commission, New Delhi is mentioned below:

"Know Your College (KYC) portal is the long-term vision of Hon'ble Prime Minister Mr. Narendra Modi for creating an appropriate framework for the students seeking various information about the educational institutions from a single window instead of looking for different wevsites".

"Accordingly, ministry of Human Resource Development has launched the "Know your College (KYC)" portal which will act as one-stop shop for students and their parents across the country to help them make an informed decision on the choice of institutions and the courses. It seems that many institutions have not uploaded the data about their respective institutions on the portal. The data uploaded on the portal need to be clear and accurate".

Therefore, I am directed to request you to upload all the data of your college as required in the 'Know Your College' portal immediately without fail.

Yours sincerely,

Registrar
